## Praise God for His many Blessings at the Sept. 2003 Golf Tournament!

After much hard work by a team of dedicated volunteers, led by Mick and Joanne Marks, one day of golf, auction and dining raised over \$100,000 for the new orphanage! A free game of golf and a beautiful Mexican fiesta were provided to over 250 people in Encinitas in return for the opportunity to present the ministry needs. Isaac, a 16 year old from the Emmanuel orphanage gave his testimony and his goal in life: to follow God, win a gold medal in the Olympics and go to college in the US. Every heart was touched as he proclaimed that God had given him hope when he was brought to the orphanage. Many people not only gave abundantly, but also decided they wanted to get involved, planning a trip for early November. Praise the Lord for all that He provided and for the faithful hands of the planning team that put on such a spectacular event.

Rachel and Lori at the Encinitas Banquet.

Some supporters take a break from a hard day of golf!

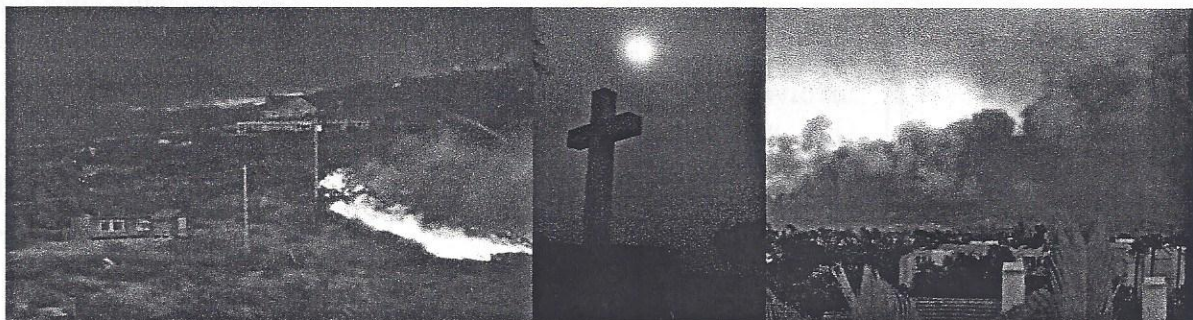

With new money, construction is booming! The new orphanage is being built at lightning speed (for Mexico). Lord willing, we will finish the 2nd floor by Sept. of '04. Keep praying !

## The San Diego Fires

Many of you have been calling, emailing and in general wondering about us here in Chula Vista. THANK YOU for your prayers and concern! We were spared from the fires and experienced only smoke-filled skies and ash on the ground, as did much of San Diego. School was cancelled all last week. Many are affected by these fires; one family from our church lost their home to the Cedar fire. Pray for them as they sort through these upheavals and begin the process of rebuilding. Their faith is incredible! Ian's friend Laszlo and his mom, who were evacuated from the Julian area of San Diego County, are staying with us. God is gracious and amazingly spared their home. Pray that they will use this time to draw closer to God, praise God for His grace, and trust Him to provide for their future.

## Returning to the Latin America Mission

For those of you who have followed our missionary journey, you know that Kathy and I started our ministry with the Latin America Mission or "L.A.M." in 1993. At that point in time, Christ for the City and LAM were organizations working together. With growth and change, Christ for the City Intl. (CFCI) became its own independent mission organization in 1995. We worked under both organizations for a few years until it was required that we choose one. CFCI became our mission board in 2001. While we prayerfully made that decision, it was difficult leaving our brothers and sisters at LAM. After two good years with CFCI, it became increasingly apparent that our philosophy on ministry really fit better with the LAM model. This month, Kathy and I have decided to return to LAM to work with them in Tijuana. As in any transition, these decisions can be hard and feelings can be hurt. We are hopeful that the leaders in our ministries in Tijuana will prayerfully consider which organization to partner with. Yet, we have encouraged them that it is our desire to work as one team together for the purpose of God's kingdom. The ministries, desiring more time to pray, will wait until the end of the year to make up their minds. Please be in prayer for the different and difficult decisions that will have to be made within the next few months.

We thank you as our team of prayer warriors, long time supporters and contributors to the ministry for your faithfulness. If there are any questions, thoughts or concerns you may have, please contact us. We value you as our brothers and sisters in Christ, and would ask you to continue with us on this next part of our journey.

**NOTE:** In light of the above, we would ask you to change your donations in the following two ways: Please send our personal support donations, the building funds, and funds for our work to Latin America Mission. Our new LAM address is listed below. Those of you who are giving to the Emmanuel Orphanages, ARCA, or sponsorship accounts: we would encourage you to continue sending your offerings through CFCI until the end of December.

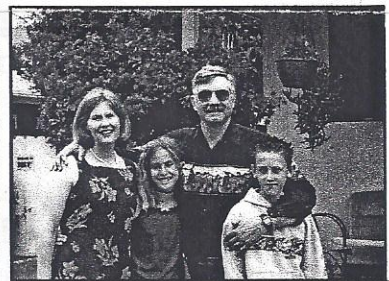

**Latin America Mission**  
P.O. Box 527900  
Miami, FL 33152-7900

Please indicate:  
**Saracoff Ministry**

We invite you to visit the  
LAM website:

to learn more about this  
mission organization.

### Join us in Prayer

1. For Kathy, Greg, Anna and Ian as we go through transition. (Ps.20)
2. Pray for Lori and Rachel, Interns with the Mexico ministry, that God would use them and guide them. Their time with us ends in December.
3. Pray for the Mexican pastors, families, and communities that are involved with the ministry. Pray that God would use these changes to His glory and that His purpose would be sought in all circumstances.

We welcome your continued
