Newborns at Esperanza Rehab

by Kathy Saracoff

As teens, they may not look like babies, but Paty, Nayeli and Elizabeth are "babes in Christ," born again on July 12, 2007. For several months, I have been leading a Moms in Touch time of prayer (and songs) with the women at Esperanza. We start out focusing on an attribute of God (like His love) and looking up verses that we pray back in praise. After a time of silent confession, we break into groups for a time of thanksgiving and intercession.

On this day, I joined the quiet group on the couch, wondering why they hadn't said much. I soon learned—they didn't know how to pray because they did not know Jesus. So I had the privilege of introducing them to the Best Friend ever, who loves them and will never leave them. And now they can pray with confidence. One of the songs we love to sing is: "Mirad cual amor nos ha dado el Padre para hacer nos Hijas de Dios" (see I Jn 3:1 for translation).

Esperanza has been reaching out to men with drug & alcohol addictions for over 25 years, but in the last few years, the program has expanded to include women. Lydia, Pastor Javier's wife, heads this ministry to over 20 ladies (ages range from 13 to 60) who commit to a three month program. Here are lives transformed by Jesus!

Claudia finished three months & earned a MITI book!

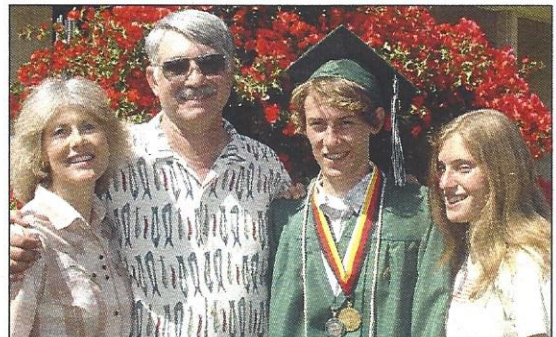

IMPORTANT NOTICE

Passports will be required by 12/2008. Do you have yours?

A Saracoff Milestone: Ian Graduates from Hilltop H.S.

With honors, our son Ian completed his high school career and has been accepted into SDSU (San Diego State U). Kathy's parents (Frank & Sally Dennis) enroute to Taiwan, joined the celebration.

Ian's learning how to whip up a mean cappuccino at Starbucks along with some great carpentry skills building a shed and deck in our backyard with Greg. And Anna? Mastering math in summer school!

Watch out, world! Another grad is on the loose!

When is a Wrong Number Right?

Greg was having a very bad day. His PDA lost its memory and crashed. He had to resort to an outdated Rolodex to look up the number for George. Then he dialed the WRONG number. But the person who answered was the RIGHT person. Just the right person to meet the needs of the children we were meaning to feed in Tijuana. God planned for Greg to call this man.

It turned out that Herb was just the person to call to donate 60 cases of drinks, 200 hot dogs and two carloads full of food and toys for a big outreach event in Tijuana on June 30th. → Some could call it a coincidence, but we know better. As the saying goes,

"Coincidence is just God's way of staying anonymous."

As Kathy's grandpa always said,
"Isn't God good?!"

First Gospel Fair is a Big Success!

The drug rehabilitation center and the Refugio for the Ancianos both run on a delicate balance of volunteer help. Many of these volunteers live on site or near by the ministries. They do not receive any regular salary but live communally and share food and resources with the ministry. Because of this, they do not have funds for special needs like school tuition fees and supplies.

Would **you** like to bless these volunteers by donating to the School Fund? The costs for school for one child varies from Elementary Junior high and Senior high.

School Starts in August in Mexico!!!
