

A Circle of Blessing

Annie, a recent intern, visits with resident at Refugio

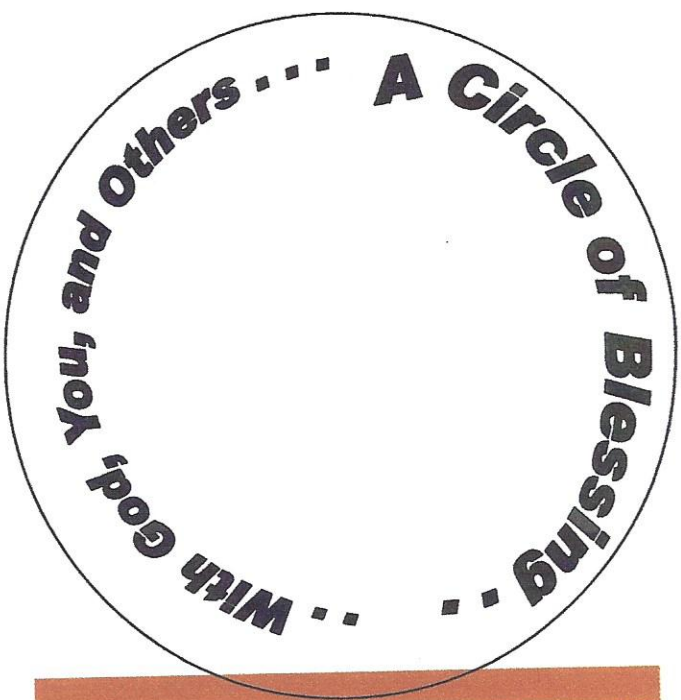

Thanks for
your ongoing
partnership!

Tijuana, February, 2005

Greetings in the Name of our Lord!

The heavy rains early this year did a lot of damage to buildings and an urgent need is to stop the erosion that is threatening the new school building at La Roca. But we praise the Lord in the midst of these hardships because they draw us into a greater dependence on Him and more interdependence with one another. **"Team Tijuana"** (our ministry group) has grown in teamwork through the trials. When the abandoned mothers and children at **La Roca** needed help finishing the construction on their apartments, the men from **Esperanza** drug rehabilitation center pitched in. When the roof at **Esperanza Rescue Mission** needed material to patch a rain-damaged roof, the **Refugio** (Home for the Elderly) gave them some metal roofing. When part of a roof at the **Refugio** was blown off by a storm, **La Roca** contributed some plywood. When **La Roca** got donated covers and pillows from a California hotel, they shared with **el Refugio**. The mothers at **La Roca** go at regular intervals to wash the feet of the elderly, shave beards and do hair. Many of **you** have come down to help, too. And so, by helping each other, we all grow closer together and are able to further the Kingdom of God.

You also have done your part by praying and contributing to the needy in Mexico. We all give as the Lord prospers us and then praise God when we see the blessings passed on to others, even coming full circle. What a witness to the world! God bless you for your participation in this circle of blessing. **You** are a vital part of **Team Tijuana**.

Thank You

God blesses us
so that we can bless Him back
by blessing others...
That's the Circle of Blessing that
started with God and Abraham way
back in Genesis 12: 1-2 'I will bless
thee, and make thy name great; and
thou shalt be a blessing...and in thee shall
all families of the earth be blessed."
